

National MI Integrates with Mortgage Cadence

August 4, 2022

Lenders now able to view Rate GPS risk-based pricing options on latest version of digital lending platform

EMERYVILLE, Calif., Aug. 04, 2022 (GLOBE NEWSWIRE) -- [National Mortgage Insurance Corporation \(National MI\)](#), a subsidiary of NMI Holdings, Inc. (NASDAQ: NMIH), is now integrated with the Mortgage Cadence Platform (MCP), the newly-released, cloud-based digital lending platform from Mortgage Cadence. The integration enables mutual lender customers to obtain price quotes and order National MI's real-time, risk-based mortgage insurance through its Rate GPS[®] tool instantly, without having to leave the MCP platform.

National MI's state-of-the-art API platform allows lenders and loan origination system (LOS) providers to quickly and seamlessly retrieve accurate mortgage insurance quotes through Rate GPS.

MCP is a modern, flexible and intuitive cloud-based LOS designed with an open architecture to meet the needs of a wide range of lenders, across all products and channels. Featuring advanced automation, high-quality analytics and open services strategy, MCP delivers a seamless experience from application to closing.

"We are delighted to partner with Mortgage Cadence," said Norm Fitzgerald, chief sales officer with National MI. "This integration shows our commitment to making the process of ordering mortgage insurance as easy as possible for lenders. MCP users will now be able to view our competitive rates within seconds, which significantly streamlines the process."

"Mortgage Cadence is excited to offer National MI's Rate GPS through MCP," said Jim Rosen, executive vice president of services at Mortgage Cadence. "It is another example of our continuing effort to provide digital solutions that simplify the lives of mortgage lenders. We've enjoyed our partnership and collaboration with the National MI team and are looking forward to helping our mutual customers close more loans," Rosen added.
