### Private mortgage insurer expands its partnership with LOS provider

EMERYVILLE, Calif., Oct. 23, 2023 (GLOBE NEWSWIRE) -- [National Mortgage Insurance Corporation \(National MI\)](#), a subsidiary of NMI Holdings, Inc. (NASDAQ: NMIH), is now integrated with the Loan Fulfillment Center (LFC) loan origination system (LOS) platform by Mortgage Cadence, a subsidiary of Accenture (NYSE: ACN). The integration enables lender clients of both companies to swiftly access price quotes and secure real-time, risk-based mortgage insurance through National MI's Rate GPS<sup>®</sup> tool without leaving the LFC platform.

The integration with LFC, an out-of-the-box, cloud-based digital retail LOS capable of handling mortgage processes from application to closing and delivery, expands National MI's partnership with Mortgage Cadence. "We are delighted to broaden our relationship with Mortgage Cadence," said Norm Fitzgerald, chief sales officer at National MI. "Our goal is to make it as simple as possible for lenders to order private mortgage insurance and help more borrowers achieve their homeownership dreams. This integration provides improved access and ease of use to customers using LFC, enabling them to view our rates instantly."

"We are excited to announce the successful integration of National MI services with our 23.1 release on the LFC platform.
